

THE POWER OF A DECISION

We all make decisions every single day. We decide where to go, what to wear, what to eat, what to speak, what to do, when and how to do what etc. In fact everyday is made up of decisions from dawn to dusk. Some of them turn out to be the wrong decisions while some are the right ones. However, the most important decision we'd have to make here on earth is the decision of where to spend eternity. Whether we believe it or not one day every man or woman will face eternity. This life is temporal, just a preparation for eternity. It is now the question of where you will spend eternity when you leave this world of time. It is either with God or in the lake of fire with the devil and the enemies of God. God allows everyone in his life time to hear the Gospel and decide what to do with it.

Do you know it only takes a decision to determine your eternal destination? Decisions are so powerful. God has given every man on earth the power to decide what happens to us here on earth. He never forces us to do anything. This then means that we become responsible for our actions and experiences. We have control over what we decide but we don't have control over the consequences of our decisions – they are automatic! It is worthy of note that God never sends anyone to hell, you decide your eternal destination! Hell was never made for human beings but for the devil and his crew but because men decide to ignore God's gift of eternal life they end up with the devil in hell. You can't be neutral about this. It's so important that you make a decision. Even if you refuse to decide, you will go to hell by default because all human beings are guilty of sin before God because of Adam's sin and the wages of sin is death – eternal damnation (Romans 3:23; 6:23).

While on earth, Jesus Christ said *"The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly."* (John 10:10). Jesus took on humanity, came to the earth, suffered,

died, was buried, defeated the devil and was raised to life in power on the third day just for you to be reconciled to God, receive eternal life and connect with God's eternal purpose for your life. All these He did in your place as your substitute before God. If you accept this today you will receive eternal life from God. Will you accept the love of God today? The devil's purpose is to destroy you so that you cannot possess the life God offers you through His Son Jesus Christ. The choice to remain in the kingdom of the devil or to be delivered and transferred into the Kingdom of God is yours now. God wants you to become a possessor of that eternal life and for that to happen, you must choose to accept what He has accomplished through His Son (Jesus Christ – the perfect sacrifice) for you. To respond to this call to salvation, just pray this prayer sincerely from your heart. Do it now, please do not procrastinate. Say:

Dear God, thank you for giving your Son Jesus Christ to die for my sins, making it possible for me to possess eternal life instead of eternal death. I confess Jesus Christ as my Lord and Saviour and I believe in my heart that you raised Him from the dead for my justification. In accordance with your Word, I declare that I am saved, I am born again, I now have eternal life. I ask that you also fill me with your Holy Spirit and help me connect with your eternal purpose for my life. Thank you Father, in Jesus' Name. Amen.

Congratulations! Welcome to God's family. You are now born again. It is important that you get a copy of the Bible, read it and pray everyday to your Heavenly Father and attend a Bible-based Church.
