

In our world today there are different kinds of insurance policies such as health insurance, disability insurance, life insurance, mortgage insurance, property insurance, liability insurance, car insurance, and the list goes on and on. An insurance expert states that when it comes to applying for a policy, one central issue will make or break the approval of your application. The central issue is risk. When it comes to insurance, the big 3 are life, disability and health. Out of the 3, the most important is life!

It's amazing how people spend a lot of time and resources trying to insure their houses, cars, and other physical valuables they have but never give a serious thought to the insurance of the most important asset God has given them – life. A lot of people have insured their lives with some insurance companies but that's not the real insurance, it's limited, it doesn't cover eternity. Whatever your pursuit in life, it is wisdom that you take out time to ponder on the essence of life and on the fact that one day you will die and be transposed to a world of eternity and wherever you find yourself will be for eternity. It is foolishness to think you can insure your life with a fellow limited human being just like you and expect to be safe eternally, especially when you consider the fact that those who promise to insure your life are just as vulnerable as you are, perhaps not even sure of their own lives themselves!

The Lord Jesus Christ, while on earth, told a thrilling story about a certain rich man who was so full of himself that he kept on making plans for his thriving possession on earth but had no plans for his eternal destination. God called that man a fool! (Luke 12:16-21). It is the height of foolishness for a man to spend his lifetime securing his temporal possessions while what really matters – his life – is left unplanned for. Jesus says *“...for one's life does not consist in the abundance of the things he possesses.”* Luke 12:15. He also says in Mark 8:36,37. *“For what shall it profit a man, if he shall gain the whole world, and lose his own soul? Or what shall a man give in exchange for his soul?”*

The greatest weapon the devil uses on people is deception. If you don't yet have a plan for eternity, it's unfortunate that you have been deceived this far by the devil whose aim, Jesus says, is to steal, kill and destroy (John 10:10). But Jesus came to give you real life, not just a physical life but an eternal life. This is the very life God possesses Himself and that is why no man can possess it except he is born again, thereby becoming the son of God. God becomes his Father and he becomes God's son. The same life that the Father possesses is the same life the son possesses!

The greatest discovery a man can make here on earth is the discovery of his need for a Saviour. Whether you believe it or not one day every man or woman will face eternity. It is

now the question of where you will spend eternity. It is either with God or in the lake of fire with the devil and all the enemies of God. God gives everyone the opportunity to hear the Gospel of Jesus Christ, the Saviour of the world, at least once in a lifetime and then what he does with the Gospel he has heard is left to him. Perhaps this is not your first time of hearing about Jesus Christ. So what are you going to do about it? You don't need to experience hell before you know that hell is real. Why not decide your eternal destiny now that you still have the chance.

God has a standard. He's not going to judge you based on your standards but by His standard and His standard is so perfect that no human person can meet it. The Bible tells us that every man is guilty of sin and deserves God's fierce judgment – eternal damnation (Romans 3:23; 6:23). Jesus was God's answer to this big problem. Jesus came and died in man's place, bearing our sins, guilt and punishments. Today, anyone who believes in and accepts Jesus Christ – God's gift to man – will be made righteous in accordance with God's own standard. Our human righteousness is as filthy rags before God (Isaiah. 64:6). Our good works cannot save us. Going to Church cannot save you anymore than sleeping in a garage makes you a car.

Jesus says *“For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.”* (John 3:16). This is our only hope – the love of God displayed through His Son Jesus Christ. If you want to insure or secure your life with God today, just pray this simple prayer to God and mean it. God will hear you right now as you call on Him:

**Dear God, thank you for giving your Son Jesus Christ to die for my sins, making it possible for me to possess eternal life instead of eternal death. I confess Jesus Christ as my Lord and Saviour and I believe in my heart that you raised Him from the dead for my justification. In accordance with your Word, I declare that I am saved, I am born again, I now have eternal life. I ask that you also fill me with your Holy Spirit and help me connect with your eternal purpose for my life. Thank you Father, in Jesus' Name. Amen.**

Congratulations! Welcome to God's family. You are now born again. It is important that you get a copy of the Bible, read it and pray everyday to your Heavenly Father and attend a Bible-based Church. You can also get in touch with us, we'd be glad to help you with materials to encourage your faith in Christ.
